

5th Annual Conference of Indian Society of Thoracic Surgeons & Trust

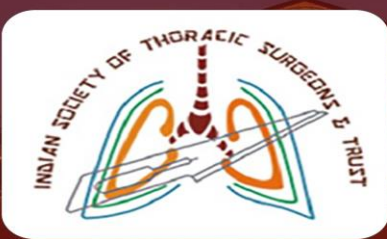

ISTSCON 2023

17th - 19th, November, 2023

The Capitol Hotel on the Raj Bhavan Road,
Bangalore

PAPER PRESENTATIONS

Date	Time	SL. No	Name	Topic
17.11.2023	07.30 AM to 09.00 AM	1.	Dr. KAUMUDI DEVI	Thulium fibre laser therapy: A novel tool for the management of central airway obstruction.
		2.	Dr. SHRUTHI T	Thoracoplasty - forgotten tool but game changer in chronic residual space management where other options are out.
		3.	Dr. TAMASA MOHANTY	Sleeve resection-an approach to preserve the innocent a single centre study.
		4.	Dr. T M V V S VARA PRASAD	REDO - THORACIC SURGERY A case series in NIMS.
		5.	Dr. SHRINIDHI B JOSHI	Tracheal resection and anastomosis for post intubation tracheal stenosis- Our experience.
		6.	Dr. SANTHOSH	Transition from open thoracotomy to uniportal VATS - our initial experience
18.11.2023	07.00 AM to 09.00 AM	1.	Dr. MAHENDRA	Early surgical stabilization of chest wall in the management of life-threatening blunt chest trauma: our experience
		2.	Dr. SONALI MITTAL	Thymectomy for Thymomas: a decade of experience at our centre.
		3.	Dr. K V V S D SRIRAM	Surgical fixation of Flail chest - The Yashoda Hospital case series.
		4.	Dr. PRAFULLKUMAR G GAMIT	Nd-YAG Laser assisted Pulmonary Metastasectomy: Initial experience from a tertiary care cancer centre of India
		5.	Dr. NIKHIL KISHORE	Immunological Responses comparing VATS, open & robotic thoracic surgery.
		6.	Dr. HARITHA	Prediction of Prolonged Air-leak in Lung-resections: A Prospective Comparative Study of Brunelli-Collis Scoring System and Ventilatory Air-leak Assessment.
19.11.2023	07.00 AM to 09.00 AM	1.	Dr. MANOJ VEMULA	Our Experience with Video - Assisted Thoracic Surgery in a Rural Medical College
		2.	Dr. SUKHDA MONGA	VATS in the management of Ectopic ACTH-Producing Lung Tumours: Our experience
		3.	Dr. AJAY	Perioperative outcomes of patients undergoing lung resections for neoplasms- Results from a tertiary care centre
		4.	Dr. KARAN	Uniportal RATS Lung Resection: A single-centre experience from India.
		5.	Dr. ANAND SHANKAR	Scoring the Future- An Artificial Intelligence-Based Scoring System for Preoperative Assessment of Postoperative Complications in Thoracic Surgery
		6.	Dr. K V V S D SRIRAM	Anterior cricoid split with costal cartilage graft interposition; surgical option for tracheal lumen augmentation in post intubation subglottic stenosis

5th Annual Conference of Indian Society of Thoracic Surgeons & Trust

ISTSCON 2023

17th - 19th, November, 2023

 **The Capitol Hotel on the Raj Bhavan Road, Bangalore**

POSTER PRESENTATIONS

Date	Time	Sl. No	Name	Topic
17.11.2023	07.30 AM to 09.00 AM	1.	Dr. DIVYANSHI SHUKLA	A rare case of giant esophageal leiomyomatosis necessitating Esophagectomy
		2.	Dr. DEEPANJANA	NON-TRAUMATIC TRANSDIAPHRAGMATIC INTERCOSTAL HERNIA - DOUBLE WHAMMY IN CHRONIC COPD
		3.	Dr. SURAPANENI YOGENDRA	Mediastinal lingular artery: Anatomy and clinical Implications
		4.	Dr. DEEPANJANA	UNIORTAL VATS RIGHT UPPER LOBE ANTERIOR SEGMENTECTOMY WITH SYSTEMATIC LYMPH NODE DISSECTION
		5.	Dr. TAMASA MOHANTY	BRONCHO-GASTRIC FISTULA (LOVE YOUR NEIGHBOUR AS YOURSELF BUT DONT TAKE DOWN THE FENCE)
18.11.2023	07.00 AM to 09.00 AM	1.	Dr. AJAY	Chest wall resection and bone cement reconstruction for sarcoma
		2.	Dr. DR RAMKARAN	VATS for Lung Hernia: A video-based presentation
		3.	Dr. MADHURI BATYALA	Bronchoscopic management of Secondary Spontaneous Pneumothorax with Persistent Air leak- a double whammy!
		4.	Dr. KAUMUDI DEVI	Innovative bronchoscopic management of malignant trachea-oesophageal fistula a stitch in time saves nine
		5.	Dr. RAJIV	Left Lower Lobe Intralobar Sequestration - Uniportal VATS Left Lower Lobectomy
		6.	Dr. TAMASA MOHANTY	BIPORTAL VATS LEFT SUPERIOR SLEEVE SEGMENTECTOMY WITH SYSTEMATIC MEDIASTINAL LYMPH NODE DISSECTION
		7.	Dr. NAZIA	An unusual case of pulmonary sequestration
		8.	Dr. HARITHA	Anterior Mediastinal Masses with Major Vascular Involvement-A Challenging Surgical Experience
19.11.2023	07.00 AM to 09.00 AM	1.	Dr. DINESH	Unveiling Absent Pulmonary Artery: A Rare Congenital Anomaly Manifested as Hemoptysis
		2.	Dr. VIJAY PRAKASH	CHALLENGES IN THE MANAGEMENT OF LOWER END TRACHEAL TUMOUR
		3.	Dr. PRIYADHARSHINI K	A case of pulmonary mucormycosis
		4.	Dr. UMAAKANTH SOUNDAAR C S	Primary idiopathic chylopericardium a report of 2 cases
		5.	Dr. FARHAN	Diagnosis and surgery in a patient with primary hyperparathyroidism
		6.	Dr. DINESH	Pneumonectomy in Pregnancy with a Destroyed Lung Introduction: A Rare and complex medical decision
		7.	Dr. RAMASWAMY	Surgical Management of Recurrent Tracheal Stenosis
