Pre-Conference Workshops : 9th October, 2025
Conference : 10th & 11th October, 2025

Auditorium, AIIMS Jodhpur

Invitation

Dear Friends,

Greetings.

It is our proud privilege and pleasure to invite you to the 7th Annual National Conference of Indian Society of Thoracic Surgeons "ISTSCON 2025" to be held on 10th & 11th October, 2025 at AIIMS Jodhpur, Rajasthan. Additionally, Pre-Conference Workshops will be held on October 9th, 2025.

The Conference is being organized by Department of General Surgery, AIIMS Jodhpur, Rajasthan. The conference aims to provide a platform for thoracic surgeons to come together and exchange knowledge and experiences. This event will feature a diverse range of topics including the latest advancements in thoracic surgeries, innovations in surgical techniques, and updates on research in the field.

In addition to the scientific sessions, the conference will also include interactive workshops, panel discussions, and networking opportunities. This is a great chance for thoracic surgeons to meet and collaborate with colleagues from different states and backgrounds, further enhancing their professional growth.

Jodhpur is the second largest city in Rajasthan and it is a delightful blend of modern and the traditional. Jodhpur is a popular tourist destination, featuring many palaces, forts and temples, set in the stark landscape of the "Thar Desert".

The city is known as the "Sun City" for the bright, sunny weather it enjoys all the year round. October month is the perfect time to soak into the spirit of the city, enjoy sightseeing during daytime and go for the desert activities.

We look forward to welcome you all to the magnificent city Jodhpur for this highly educative and interactive scientific feast and urge you to mark the dates. Let's come together to learn, connect, and contribute to the advancement of thoracic surgery in India.

"Don't miss this invaluable learning opportunity!"
